

Learning With LEGO Live Virtual Camp: 7/18-7/21/2022, 12:30-1:45PM PST

Learning With LEGO provides hands-on and multi-sensory activities for young minds to explore language by building letters and words with LEGO. Participants explore numbers and math by using LEGO bricks to explore counting, perform simple additions and subtractions, measure objects, recognize patterns, and much more. This class supports all types of young learners, as it approaches learning and discovery in a truly multi-sensory way, while also providing a fun and positive social emotional learning environment. Discover, Learn and Create with Creative Brain Learning!
